

Choose Healthy Food

Game Time!

Choose a leader to move the next slides back and forth as you move your body according to the stoplight color.

Green: March in place or wave your arms high in the air.

Yellow: March or move your arms in slow motion.

Red: Sit still!

Game Time!

Move your body according to the stoplight color.

Green

March in place or wave your arms high in the air.

Game Time!

Move your body according to the stoplight color.

Yellow

March or move your arms in slow motion.

Game Time!

Move your body according to the stoplight color.

Red

Sit still.

Think Your Food

You can use a
stoplight to help
make nutritious
food choices!

Fresh
Fruit

Fresh
Vegetables

Milk

Whole-Grain
Foods

Lean
Meat

Eat More Green-Light Foods!

Green-light foods have the most nutrition for energy and growth, so eat them often!

Canned
Fruit

Vegetables
with Sauce

Flavored
Yogurt

White Pasta
and Bread

Peanut
Butter

Eat Some Yellow-Light Foods

These foods do not keep you fueled up the same way green-light foods do, so eat them sometimes.

Fruit Drinks

Chips

Ice Cream

Cakes and
Donuts

Candy

Eat Less Red-Light Foods

These foods are the least nutritious. It's okay to have a red-light food once in a while. Choose red-light foods least often.

Think Your Food

Next time you help make a meal or grab a snack, remember to eat more green-light foods!

HOW WILL YOU USE A STOPLIGHT'S COLORS TO CHOOSE YOUR FOOD?

Your Food Choices

Talk with an adult at home about ways you can use a stoplight's colors to choose nutritious food.

Use this food poster to help you make *nutritious* food choices!
